

Meeting Agenda

Location: 3209

Date: 2011-05-12

Time: 16:00 -

Facilitator: Viktor Åkerskog

Participants: Viktor Åkerskog, Karl Bristav, Erik Sikander, Gustav Olsson

1. Objectives
 - a. Tests, tests, tests
 - b. Discuss the newly found circular references
2. Resolve any issues preventing the team to continue
 - a. We must discuss how to solve the circular references
3. Reports
 - a. Lots of tests have been written, and more are to be written in the near future
4. From previous meetings, solved issues, e. t. c.
 - a. Again, a large quantity of test code has been implemented
5. Discussion items
 - a. How should we resolve the circular references in a manner that does not make us rewrite the whole code base?
6. Outcomes and assignments
 - a. The team members will write tests
7. Wrap up
 - a. Next meeting Tuesday 17/5
